Product information

Color:	black
Dog Coat Size:	40 cm

The Hunter X Eskadron Vario Dog Coat in Black is **a** functional **winter coat** that combines protection, comfort, and a minimalist, sporty look. The 2-in-1 design is engineered for cold to very cold and rainy days, ensuring reliable performance in everyday use. The water- and wind-repellent outer material helps keep your dog comfortably protected in adverse conditions, while the removable fleece lining allows for flexible adjustment to changing temperatures.

To ensure a secure fit, the coat features a width-adjustable collar with an elastic band, a continuously adjustable belly strap with a snap closure, and elastic, length-adjustable loops for the hind legs. The closed belly panel offers additional protection, while the opening for the collar's D-ring and the waterproof, adjustable two-way zipper for harnesses make everyday use easier. Reflective piping enhances visibility at dusk and in low-light conditions.

The black color scheme emphasizes the clean lines of the design and pairs well with a variety of outfits. As dog apparel for the cooler months, this model offers a balanced combination of functionality and comfort. Available in XXS, XS, and S; the version shown here corresponds to 40 cm.
