Product information

Color:	olive
Dog Coat Size:	45 cm

With the **Vario dog coat** in black, **Eskadron** combines a functional solution for challenging weather conditions with a minimalist, professional look. Designed as a 2-in-1 model for cold to very cold and rainy days, this **winter dog coat** provides reliable protection for everyday use. The water- and wind-repellent outer material is paired with a removable fleece lining, allowing the coat to adapt flexibly to changing temperatures.

A well-thought-out design ensures a secure fit, featuring a width-adjustable collar with an elastic band, a continuously adjustable belly strap with a snap closure, and elastic, length-adjustable loops for the hind legs. The closed belly panel offers additional protection, while the opening for the collar's D-ring and the waterproof, adjustable two-way zipper for harnesses make everyday use easier. Reflective piping enhances visibility at dusk and in low-light conditions.
