Product information

Color: orange

The Eskadron Spark Dog Tug Line, orange, is a specialized search and tug line designed for dog sports, training, and hunting. The neon orange color ensures excellent visibility, while the minimalist design—without a hand loop—facilitates use in the field, in dense underbrush, and during dynamic movements. As a sturdy tracking leash, this model combines functionality with a clean, professional look.

Made from an innovative plastic blend, the leash is durable, waterproof, and resistant to changing weather conditions. The non-slip surface remains comfortable to handle in both hot and cold weather and ensures reliable control in everyday use. Thanks to its low-maintenance construction, the dog leash can be easily wiped down or washed.

- Specially designed search and tracking leash for dog sports, training, and hunting
- Ideal as a drag line in open terrain and underbrush
- No hand loop to reduce snagging
- Non-slip in both warm and cold weather
- Made from a durable, innovative plastic blend
- Waterproof and weather-resistant
- Easy to clean: simply wipe down or wash
- Color: orange / neon orange
- Manufacturer: Eskadron
- Length: 12 m

The Spark dog tow line is ideal for applications where reliability, visibility, and ease of use are paramount. As a functional training and search line, it performs well in challenging environments and supports controlled operations across a wide range of applications.
