Product information

Color: turquoise

The Harcour PARMO men's sweater combines a clean, modern silhouette with functional details and high-quality materials. Designed as a versatile men’s sweater, its straight cut makes it adaptable to a variety of looks. The high collar with a front zipper creates a structured look and gives the sweater a sporty yet polished appearance.

The fabric blend of cotton, polyamide, and wool ensures a comfortable fit and a luxurious feel. Tight cuffs and a neatly finished hem complete the fit and help the sweater retain its shape. A silver Harcour button on the left sleeve adds a subtle brand accent. The available color palette—**brown**, **gray**, and **linen**—offers options to match a variety of wardrobe styles.

Product Features at a Glance:
