Product information

Color: black

With its **black padded raincoat, BLIZZ** combines a functional solution for protection against the elements with clean, modern lines. Designed for changeable weather, the coat combines a comfortable warmth with a minimalist look that effortlessly blends into a variety of everyday wardrobes. The black color ensures a versatile, timeless look and complements a polished, urban style.

The padded construction offers subtle cushioning that provides extra comfort on cooler, rainy days without making the overall look feel heavy. This makes the raincoat ideal for the commute to work, for getting around town, or for relaxed leisure time in damp weather. The understated design emphasizes a minimalist aesthetic and can be easily paired with various colors and layers.

- **Padded raincoat** with a pleasantly warm feel
- **Black colorway** for versatile combinations
- **Modern, minimalist design** for a clean look
- **Suitable** for everyday wear in rain and cooler temperatures
- **Available sizes:** XS, S, M, L

As a raincoat in the fashionable, functional segment, this model is aimed at a style-conscious audience that values practical features and a understated appearance. The simple design allows for versatile use across multiple seasons and makes the coat a perfect addition to any weather-ready wardrobe.
