The Mountain Horse Team Long Vest is a padded long vest for the winter season that combines functional warmth with clean lines. The blue version is ideal for cooler temperatures and offers additional coverage thanks to its long silhouette. The vest is available in sizes M and L and is designed for a modern, sporty wardrobe that prioritizes comfort and freedom of movement.

The high, padded collar ensures a comfortable fit, while the two-way YKK® zipper with a weather-resistant inner lining makes it easy to put on and take off. A protective chin flap rounds out the functional design. Particularly well-thought-out are the high side slits with snap buttons featuring the MH logo, which provide greater flexibility of movement and a better fit. The spacious front pockets with zippers and reflective details combine practicality with subtle visibility. On the back, an additional layer of lining ensures that any custom CB embroidery remains protected. The MH print on the collar adds a signature brand touch.
