FREY HORSE DYNAMIC BASIC is optimally tailored to the needs of healthy horses that do little work, or of hardy, light-fed breeds with good natural musculature and a thick coat.

Horse Dynamic BASIC +Mineral excellently meets nutritional needs and stabilizes the overall physiological condition of the blood, bones, teeth, and muscle and nerve tissue. The effects become apparent quickly, as evidenced by an increased appetite, a cheerful willingness to work, and a shiny coat.

Horse Dynamic + Mineral

- contains minerals with high bioavailability.
