Color: black

Eskadron MESH HERITAGE 26 leg wraps, in black, combine functional protective features with a clean, sporty, and elegant look. Designed for versatile use in equestrian sports, these gaiters feature a well-thought-out material concept focused on stability, air circulation, and a neat appearance. The multilayer mesh creates a modern, lightweight look, while the antibacterial mesh lining further enhances comfort.

The softshell trim complements the construction with high-quality, dimensionally stable craftsmanship. In the abrasion-resistant zone, an embossed PU insert is used to visually and functionally highlight the protected area. Logo Velcro closures and subtle labeling round out the design in typical Eskadron style. In black, the model is particularly versatile and can be easily combined with

Product information

various pieces of riding gear.

- Multilayer mesh with an antibacterial mesh underside
- Softshell edging for a high-quality finish
