The Eskadron Accessory Bag FAUX LEATHER, Heritage 26, deep moss combines clean lines with a premium look and functional details. This accessory bag from the Heritage 26 collection features a faux leather exterior in a rich shade of red with an elegant look. Gold-tone metal hardware and the striking printed border add subtle accents, while the branding rounds out the signature Eskadron look.

As a practical companion for everyday use at the stable, while traveling, or for carrying small essentials, the bag impresses with its well-thought-out carrying options and ease of use. The drawstring closure ensures quick closure, while the carrying handle and adjustable shoulder strap allow for flexible carrying depending on the situation. The design remains deliberately minimalist yet

Product information
