Color: black

The Eskadron KNIT-ZIP HERITAGE 26 Cardigan in black combines a modern hybrid look with functional knit construction and is designed for sporty-elegant wear in everyday life or at the stable. The cardigan features a blend of 4-way stretch knit jersey and nylon, offering a comfortable balance of freedom of movement, structure, and a rugged look. The slim fit accentuates a clean, contoured silhouette, while the stand-up collar and fixed hood complement the design’s dynamic character.

The combination of a zipper closure and thoughtful details makes this model a versatile hybrid jacket with a cardigan-like look. Side zipper pockets provide practical storage, and the snap closure on the hood adds extra functionality. Labels on both sides round out the design in classic Eskadron style. The classic black colorway creates a timeless look that can be easily paired with a variety of outfits.
