Sophisticated design in elegant color options, maximum functionality, the finest materials—the Roeckl Sports MILLERO ranks among the top-tier riding gloves. The back of the hand, made from a combination of textured WaffleFlex and airy, lightweight Micro Mesh Eco—composed of 84% recycled polyamide and 16% recycled spandex—ensures optimal air circulation and a comfortable fit from the wrist to the fingertips. Made with ECONYL® yarn—which is entirely recycled from nylon waste such as old fishing nets—and awarded the “High Recycling Ratio” label for its exceptionally high proportion of recycled materials, the MILLERO impresses on every level. The palm, made of soft, elastic, and grippy Sense Grip, also delivers on its promise—optimal grip and absolute sensitivity on the reins. The exclusive COMFORT-CUT ensures a perfect fit and optimal comfort even when in motion. The same goes for the elaborately decorated closure featuring the Roeckl Sports hand appliqué. So you can keep the gloves on while using your
