Benefits of the Golden Wings Bridle:

- Optimal safety for the horse
- Comfortable and gentle on the mouth
- No pinching
- No “nutcracker” effect
- New effect thanks to the bit plates
- Easier communication between horse and rider Advantages of the Golden Wings bit plates:
- Optimal safety for the horse thanks to the side bit plates
- 100% gentle on the lips—comfortable and mouth-friendly
- The bit plates allow the rider to apply a new, direct external influence on the horse’s mouth.

Product information

- The large bit plates offer the horse optimal protection and safety in the lip area.
- Combines the advantages of a water snaffle with direct external influence on the horse’s mouth via the bit plates.
- Golden Wings snaffle bits are very well accepted by all horses, especially young horses.
- Golden Wings snaffles facilitate easier and more sensitive communication between horse and rider.

Advantages of the SWEET Copper Mouthpiece:

- Better acceptance
- Pleasant taste
- Stimulates salivation, which promotes eating
- The solid copper alloy (90% copper, 7% iron + aluminum, nickel-free) is highly durable
- Your horse feels comfortable with SWEET Copper

Stübben STEELtec quality:

- No sharp edges that could injure the horse’s mouth
- Long-lasting durability thanks to carefully selected materials
- Special manufacturing techniques minimize wear on the ring holes and joint connections of the bits
