Currently out of stock.

Color: blue, gray

The uvex sportstyle 802 V sports glasses with variomatic® technology automatically darken and lighten the lenses in response to UV radiation. Scratch-resistant on the outside, fog-free on the inside—thanks to technology made by uvex. The uvex sportstyle 802 V small sports glasses can do even more: Thanks to their individually adjustable soft nose pads and soft temples, they offer a non-slip, pressure-free fit and maximum comfort. To ensure fog-free vision, the uvex sportstyle 802 V small is also equipped with permanent, draft-free ventilation. Sports glasses that guarantee 100% UV protection. PROTECTION 100% UVA, UVB, and UVC protection Lens Colors smoke Colors Black Filter category Cat. 1–3 COMFORT Adjustable soft nose pads Flexible temples Soft temples Sizes one size
