Product information

WAHL "KM Supera LA," Rechargeable, Purple

The KM Supera is a state-of-the-art cordless clipper designed specifically for professional use. With two speed settings, it adapts perfectly to the needs of different coat types: The first setting is quiet and gentle, ideal for nervous animals, while the second setting effortlessly clips even thick coats. The KM Supera is designed for continuous daily use. Its ergonomic and balanced design ensures comfortable handling. The improved brushless motor with automatic speed control delivers consistent performance, regardless of coat type.
Features:

- Horse clipper with interchangeable batteries
- Up to 150 minutes of battery life
- 60-minute quick charge
- with smart LED battery status and charging indicator
- 2 speeds at 3,000 and 3,700 RPM with constant speed control for excellent results
- Quiet and low-vibration
- Easy and comfortable to use, perfect for nervous animals
- 1.5 mm cutting blade included
- Optional 0.5 mm, 1.5 mm, and 0.25 mm blades available

The patented ProSwitch anti-closing mechanism ensures that the guard plate does not close unless a cutting set is placed on it. Ideal for full clipping of horses with smooth coats, as well as detail and partial clipping of smooth and wiry coats.
