Currently out of stock.

Color: black

A smooth leather rein made from soft, highly abrasion-resistant vachette leather that has been folded over twice. A highly durable textile core ensures the necessary safety. The inside of the rein is coated with a non-slip, rubberized strip, ensuring that the rein fits comfortably in the rider’s hand and does not slip. It attaches to the bit in the traditional manner using bridle hooks. Available in various colors.

- Silver fittings
- Size: Full / 140 cm
