For thousands of years, moringa has been known not only as a high-quality, natural source of energy (rich in nutrients, vitamins, minerals, and amino acids), but it also provides horses and other animals with everything they need for a balanced diet and good health.

Thanks to the natural and organic balance of its ingredients, moringa keeps your animals healthy in a holistic and natural way.

Product information

No other food can provide horses with anywhere near as many nutrients, vitamins, minerals, amino acids, oils, and antioxidants for natural, bioactive, and effective preventive health care as the leaves of the moringa tree.
