Product information

The Rainwalker Lady 6 4mm rain boots are perfect for female riders who spend time in the stable even in inclement weather. The -20 comfort rating ensures pleasant warmth, while the moisture-wicking lining keeps feet dry and guarantees a comfortable fit. The boots’ soft and durable rubber compound makes them a long-lasting companion for all outdoor activities. The comfortable fit and shock-absorbing sole make the Rainwalker Lady 6" 4mm as comfortable as a running shoe. The low-profile outsole also provides optimal traction on wet surfaces and firm ground. Experience maximum comfort and functionality with the Rainwalker Lady 6" 4mm rain boots.
