Currently out of stock.

Color:	black
Material:	Leather
Saddle Strap Sizes:	130 cm

The ELITE STOLLENGURT with carabiner from Ikonic, crafted from the finest Italian leather.

The anatomically shaped IKONIC girth, with its **wide cutouts**, adapts perfectly to the horse's belly, thereby enhancing its comfort and safety. The open design around the elbows provides the horse with **optimal freedom of movement**.

A central attachment ring allows for easy attachment of auxiliary reins. The carabiner is designed for fastening the breast collar.

Product information

In addition, a protective cover has been developed for the elastic at the end of the girth, which prevents the elastic from wearing out too quickly due to external factors.
