FREY Eye Wipes Refill Pack is a convenient addition to the dispenser container and supports daily hygienic care of animals' sensitive eye areas. The soft wipes, made from 100% cellulose, are designed for cleaning the outer eye and nostril areas and are also suitable for other animals. The single-use design helps to remove impurities effectively and makes care simple and hygienic.

The formula, enriched with **eyebright**, adds a soothing and anti-inflammatory benefit to the product. This creates a well-thought-out solution for regular, everyday use. The resealable dispenser helps keep the wipes moist even during extended storage and ensures they're always within reach. The **110-sheet** refill pack is designed for continuous use and is easy to refill.
