EGO7 Jumping Leggings, featuring a flattering high-waist design and a spacious side pocket. Superior performance and fit are guaranteed thanks to the signature, ultra-comfortable material—highly stretchy and compressive—designed specifically for sports. Knee grip patches provide ideal contact with the horse and stability. EGO7 bottoms, with their attractive, modern style, are perfect for any equestrian activity and are especially well-suited for training. The amazing selection of EGO7 fabrics ensures a perfect fit

Product information

with 4-way stretch for unrestricted movement, support, and shape retention: comfort like never before, breathability, and better contact with the horse while riding. A modified high waist sits fashionably high in the front and rises in the back for full coverage. EGO7 HH leggings feature cute bling belt loops, side pockets, an extra-wide pocket, and shiny knee grips; the grip on the inside of the waistband provides stability in the saddle and prevents shirts from coming loose. Machine wash cold.
