Product information

The healthiest treat since snacks were invented!
A lactic acid-based product in cookie form—the popular treat for horses in a convenient 1-kg bag.

What makes these treats so valuable is their vitamins, minerals, essential amino acids, and trace elements—all optimized for the body's absorption—along with a high concentration of valuable bioactive enzymes and live lactic acid bacteria.
These treats from Kanne are ideal for both dogs and horses. The lactic acid bacteria and enzymes support the natural bacterial flora in the skin and intestines. For healthy gut flora in HORSES and DOGS!

Purely vegetarian organic crackers to promote healthy gut flora (comparable to healthy sourdough drink for humans). Even dogs and horses with allergies—such as skin problems—can safely eat these treats!

Ingredients:
Bread (wheat, rye, oats, natural sourdough, water, salt), Kanne Organic Fermented Grains® liquid (lactic acid fermentation product from whole-grain bread, fermented), beet syrup

Nutritional Information per 100 g: Dry matter 96.6 g, Non-nitrogenous extractives (NfE) 79.2%, starch 52.7 g, protein 11.8 g, water 3.4 g, ash 2.7 g, fat 2.3 g, nitrogen 1.88 g, crude fiber 0.6 g
