For young riders who love glitter, Roeckl has introduced these functional and snug-fitting riding gloves. The brushed, stretchy polyester on the back of the hand ensures first-class comfort. Whether riding or handling the horse, a comfortable fit and unrestricted freedom of movement for the fingers and hands are guaranteed. The thin and exceptionally soft, yet durable, Durasense synthetic suede on the palm ensures a secure grip on the reins. Additionally, the material has been laminated to prevent annoying layer shifting. A Velcro strap at the wrist completes the secure fit. For a stunning design, silver-colored, sparkling horseshoes and the Roeckl logo in an elaborate glitter print adorn the back of the hand.
