Product information

Color:	blue
Size of Riding Gloves:	7

ROECKL RIDING GLOVE ROECK-GRIP LITE The Roeck-Grip Lite is a sporty yet stylish riding glove with a classic, elegant design that’s particularly well-suited for summer. The palm is made of grippy ROECK-GRIP®, which ensures sensitivity on the reins and comfortable freedom of movement for the fingers. The back of the glove is made of lightweight, breathable, yet extremely durable Triactor II Mesh, which helps prevent excessive sweating—a major advantage on warmer days. Thanks to the use of premium materials, the glove fits like a second skin, is comfortable to wear, and offers the best possible fit. Another advantage is that the glove is touchscreen-compatible, so you can easily use your smartphone without having to take the glove off.

- Back of the hand: 83% polyester, 17% polyurethane
- Palm: 100% polyamide
- Easy to care for
- Available in black and navy blue
