FRONT INSERT for Cromo 2.0
ABS front panel available for all Cromo 2.0 helmets.
With the Cromo 2.0 customization, you can push the boundaries even further: thanks to the new design, you can customize your helmet even after purchase. The mechanical locking system allows you to replace the front and rear inserts independently and choose from numerous combinations of colors and materials to express your personal style and creativity.
Available in Luminor Blue and Luminor Black
