Product information

Designed for maximum freedom of movement. The WeatherBeeta ComFiTec Premier Free II Standard 100g is packed with fantastic features, such as a Full-Embrace wrap for a snug fit with a concealed Ezi-Buckle closure for optimal safety in the pasture, a memory foam withers pad that conforms to the horse’s shape and lifts the blanket off the withers to prevent chafing. Super-strong and durable 1200-denier outer fabric with a triple-weave construction and Repel-Shell coating, which is waterproof and breathable, Freedom System with cap-shaped shoulders and forward-facing gussets for ultimate freedom of movement; it is compatible with the new ComFiTec Liner System. Also features 100g Polyfill, a Full-Wrap tail flap with a two-piece design to fully protect the hindquarters, reflective walking pleats and an insert on the tail flap for added visibility, and elastic, adjustable, and removable leg straps.
