Color:	black
Season:	Winter
Size of Riding Gloves:	10.5

Highly functional and **warm enough for winter,** the WISMAR offers riders excellent tactile sensitivity and v

The palm features the **exceptionally grippy** and supple ROECK-GRIP® material, enabling **precise** control of the reins. These winter riding gloves keep out the biting cold wind with a **completely windproof** GORE-TEX INFINIUM™ WINDSTOPPER® Soft Shell Elastic upper. This keeps your hands **comfortably warm** even on longer rides—a prerequisite for precise rein control. In addition, a brushed inner lining and the long, slim design—featuring a snug-fitting knit cuff and an elastic back-of-hand strap—ensure effective

Product information

heat retention. ROECKL’s exclusive COMFORT-CUT design eliminates the need for a thumb loop—for added comfort. The WISMAR is available in three color combinations: black, black/red, and eye-catching neon yellow, for high visibility in overcast weather. The glove can be machine-washed at 30° Celsius without any problems.

Back of the hand: GTX INFINIUM™ WINDSTOPPER® Soft Shell Elastic
Palm: ROECK-GRIP®
