Often copied—never equaled: ROECKL's ROECK-GRIP is the unmistakable original.

And you can really feel the difference. As is so often the case, it's the details—and above all, the material—that make the difference. **ROECK-GRIP®** is an exclusive material. It is extremely **breathable**, **elastic**, and **supple**. In short: It fits like a second skin. At the same time, it offers **exceptional grip** and **a delicate feel** on the reins. To ensure a superior fit, ROECKL uses the classic French glove sizing system. With a size range from 6.0 to 11.0—that's eleven sizes per color—every rider is sure to find the perfect glove. The Munich-based glove specialists also place great emphasis on the quality of craftsmanship: The individual parts are sewn

together with precise handwork. Seam tolerances of no more than one millimeter are just one tangible quality criterion, because comfort cannot be measured. It’s the cuts and proportions that make the difference. This is where ROECKL excels, drawing on 180 years of experience in the art of glove-making. Convenient: The ROECK-GRIP can be machine-washed at 30° Celsius. The distinctive strap with the stylized hand motif securely fastens the glove to the wrist.
