Newly developed waterproof guide machine cover. Sets new standards in functionality and comfort!

DELTA 150

horse walker blanket

- Eskadron’s newly developed horse walker blanket sets the standard for functionality and comfort
- The elastic, breathable front panel adapts perfectly to the horse’s chest contours
- moves optimally with the horse’s movements, thereby preventing chafing
- Durable, highly water-repellent, and breathable outer material on the back and kidney area
- Optimal fit thanks to cross-saddle straps and a safety tail strap
- Smart Dual Velcro chest closure
- 150g thermal filling

Material 100% POLYESTER
