Description
The Wahl Star Heavy Duty Clipper is one of Wahl’s most popular products and a staple in many stables. This powerful, fast, and efficient clipper is ideal for professionals and enthusiasts alike. The slim, balanced handle ensures maximum comfort while clipping. The Star is lightweight so you can clip for longer, and features a smart tension system that ensures the right cutting pressure every time.
The slim, balanced design is ideal for easy handling, with grips on both sides of the handle for better control. It’s as lightweight as possible so you can shear longer, and features a smart tension system that ensures the right cutting pressure every time.
The efficient 45-W motor delivers a professional, reliable cut and is protected from damage in the event of a jam by a built-in overload switch. It operates at a powerful speed of 2,700 rpm, which means it can cut through even thick hair at high speed.
The specially designed ventilated clipper head prevents the blades and clipper head from overheating and causing discomfort. This technology always keeps hair away from the user’s face.
The Wahl Star Clipper also features a replaceable air filter, which allows for quick and easy maintenance.
Cutting length: 2.5 mm with A2/AC (Medium) blades
