The Cotton Maxx saddle pad is a dimensionally stable saddle pad with an ergonomic fit. The top and bottom layers, made of 100% natural and durable cotton, are particularly gentle on the skin and ideal for people with allergies. With a soft molton (100% cotton) underside, it is highly absorbent and prevents hair loss in the saddle area.
Matching Classic ear loops with elastic. Handcrafted to the highest quality standards.
The saddle pad and ear flaps are embellished with two silver cords and a rhinestone chain in the center
