Size of Riding Gloves:	7

Trendy & functional—that's the MILANO. The eye-catching feature is the elegant strap design with the distinctive ROECKL hand logo as a metal appliqué. But that's not all: high-quality materials, superior craftsmanship, and ROECKL's exclusive COMFORT-CUT guarantee a comfortable fit and maximum comfort. The back of the hand is made of **bi-elastic spandex**. The palm features the proven **Digital Suede**. It's both **tactile** and **durable**, enabling **reliable rein control** and harmonious communication between horse and rider. Another feature: The glove is machine-washable at 30° Celsius. **Back of the hand:** 2-way spandex
; **Palm:** Digital Suede
; **Features:** COMFORT-CUT, strap with Velcro closure **Gender:** Unisex
