Sergio Grasso Easy EcoRiding Chaps, coffee brown

Sergio Grasso’s vegan chaps—super comfortable and easy to put on.

These vegan chaps are made of comfortable microfiber. They attach securely to the matching ankle boots (EcoRiding Quick Ankle Boots) with a hidden snap. The combination of ankle boots and chaps offers you a quick, hassle-free, and low-maintenance alternative to riding boots.

Product information

Chaps

Made of soft microfiber.

Closure

Elastic side band.
Side zipper.

Additional Information

Can only be paired with the EcoRiding Quick ankle boot.
Special fastening system for chaps and ankle boots with invisible snaps.
Microfiber snap covers available with Quick ankle boots. With EcoRiding, Sergio Grasso presents an eco-friendly line made from innovative, highly efficient materials of non-animal origin.
An alternative to leather that feels just like leather while retaining its comfort and softness.
The various microfibers used for EcoRiding—for the upper, insole, and lining—are the result of a production process that guarantees full compliance with environmental regulations.
The special V-Label-certified microfiber used for the upper is 100% waterproof and fully breathable, as well as abrasion-resistant and antibacterial.
EcoRiding combines the selection and use of alternative, advanced, and certified materials with a constant search for new stylistic and functional solutions.
