Zedan's Natural Mane Shine is an organic-quality product designed to provide more shine, volume, body, and manageability. Zedan's Natural Mane Shine is a 2-phase BeautyFluid for volume, shine, body, and manageability, formulated with organic broccoli seed oil—a natural alternative to silicone. It prevents hair damage, improves manageability, and imparts a silky shine. Natural Mane Shine is also ideal for use as a braiding aid.

- Organic hemp seed oil, rich in omega-3 and omega-6 fatty acids, is easily absorbed by the skin and hair; it also strengthens the hair and combats hair loss.
- Betaine reduces irritation and protects the hair from drying out.

Directions for
Use Shake the spray vigorously before use to mix the two phases. Then apply to the tail and mane, comb through while the hair is slightly damp, and let it dry. Afterward, comb through briefly or braid. If necessary, wash first with shampoo, such as Zedan’s Organic Ginkgo.
Product Type

- Silicone-Free Mane and Tail Spray

Product information

- Certified according to the NCP Natural Cosmetics Standard
