Delivery **Mon 09. Nov - Tue 10. Nov 2026**

The Horse Pilot gas cartridge for Twist'Air 2.0 is the ideal refill cartridge for the Horse Pilot airbag vest and is designed to ensure reliable deployment of the protection system. Developed by In&Motion, the cartridge combines an ergonomic design with a compact size, ensuring that the vest retains its discreet and comfortable fit.

Inside the cartridge are four small gas canisters that are released simultaneously upon activation. This ensures that the airbag system is activated quickly and fully deployed. As an accessory for equestrian safety gear, this cartridge is designed for precise operation and clear system integration.

- **Product Type:** Gas Cartridge / Refill Cartridge for Airbag Vest
- **Compatibility:** Horse Pilot Twist'Air 2.0 Airbag System
- **System:** Cartridge developed by In&Motion
- **Construction:** 4 small gas cylinders per cartridge

Product information
