Shiny coat with natural rose oil. Detangles and makes the hair easy to comb.

- With natural active ingredients from rose oil
- ensures the horse’s hair is easy to comb and gives it a silky shine
- Does not interfere with a secure saddle fit
- Reduces tangles in the tail and gives the hair lush fullness
- Prevents dirt from sticking and has a pleasant rose scent

ROSE SHINE is a non-greasy spray for caring for a horse’s tail and mane; it makes the hair easy to comb, helps detangle the mane, and gives the hair new shine and vitality. Rose Shine can be used on both wet and dry hair; before competitions and shows, you can also apply it to the horse’s coat to give it shine and a pleasant scent.

Product information

The delicate, sweet scent of rose petals is very pleasant for both horse and rider.

Directions: Spray
Rose Shine onto the horse’s mane and tail from a distance of 20–30 cm, let it sit for 1–2 minutes, and then brush the mane and tail from top to bottom.

Getting close to a rose and smelling its fragrance is always a wonderful experience!
The oil contained in rose petals has a harmonizing and relaxing effect. Horses find rose buds extremely appealing and love their scent. Highly effective rose oil is a wound-healing agent that is antiseptic, invigorating, and soothing all at once. When combined with echinacea extracts, its disinfecting and cleansing effects are enhanced. Rose water is highly praised for strengthening and cleansing the skin.

All ingredients in this product are cultivated and harvested at the Officinalis organic farm in Italy.
