The Amigo® Ripstop 900D 50g Pasture Rug is the perfect pasture rug for changeable weather. The outer material, made of durable 900D ripstop polyester, ensures maximum durability, while the 50-gram fill provides the ideal solution for both mild and cool weather.

Features of this blanket include a waterproof and breathable 900D ripstop outer fabric, a lustrous, anti-static, and antibacterial inner lining, a straight chest closure, and two cross-straps for a secure fit. Thanks to its neckband eyelets and liner tabs, this blanket can be easily combined with our Amigo® Ripstop 900D neckband and the Horseware® Liner System. A tail strap prevents the blanket from slipping.

Product information
