Color:	black
Season:	Summer
Size of Riding Gloves:	4

The Roeck-Grip Lite Junior is a riding glove that combines a sporty, stylish look with classic elegance, making it particularly well-suited for summer. The palm is made of grippy ROECK-GRIP®, which guarantees sensitivity on the reins and comfortable freedom of movement for the fingers. The back of the hand is made of lightweight, breathable, yet extremely durable Triactor II Mesh, which helps prevent excessive sweating in the glove—a major advantage on warmer days. Thanks to the use of the finest materials, the glove fits like a second skin, is comfortable to wear, and offers the best possible fit. Another advantage is that the glove is touchscreen-compatible, so you can easily use your smartphone without having to take off the glove.

- Back of the hand: 83% polyester, 17% polyurethane
- Palm: 100% polyamide
- Easy to care for
- Available in black and navy blue
