The latest innovation in horse blankets is now available for your dog, too: The Rambo Dog Dry Rug is the perfect bathrobe for your faithful companion!
The Rambo Dog Dry Rug from Horseware delivers exactly what its name promises—it keeps your dog dry and warm. The highly moisture-absorbent, brushed polyester dries your dog in record time after a bath or a long day at the lake. Moisture is drawn away from the body through the coat and evaporates quickly at the surface. Perfect for car rides or use at home. The ultra-fast-drying material makes this cozy bathrobe ready to use again in no time! The tried-and-true Rambo dog coat cut ensures an ideal fit. It’s especially easy to put on and take off. The lightweight material prevents your dog from overheating, even on warmer days.
