incl. 8,1% VAT plus Shipping

Delivery **Mon 09. Nov - Tue 10. Nov 2026**

Leather Wash by Rapide
: A highly concentrated cleaner for leather, suede, nubuck, wool, lambskins, and combinations of these materials, suitable for both hand washing and machine washing. Leather Wash not only cleans but also has a conditioning and nourishing effect on the material and refreshes the color. Always read the care instructions on the garment’s label carefully first.

Instructions
for Use: Shake the bottle well before use. Remove any detergent residue from the washing machine drum. Application: Use 50 ml, select the wool cycle, and wash at a maximum temperature of 30° (see care label). Check to make sure all detergent residue has been thoroughly removed; if not, rinse again. Drying: Preferably dry suede and nubuck in a clothes dryer. This restores a softer feel to the material (do not dry in the sun). Once the suede/nubuck is dry again, brush it with a suede brush to restore its soft feel. Let

Product information

wool and leather dry flat or hanging at room temperature, turning them over regularly. Once the leather is completely dry, treat it with leather conditioner or leather wash to restore its suppleness and provide protection. Hand wash: Use approximately 25 ml per 10 liters of water; submerge the material regularly and then rinse thoroughly until the water runs clear. For drying instructions, see above.

Warning: Risk of serious eye damage. Keep out of reach of children. Avoid contact with eyes. In case of eye contact, rinse immediately with plenty of water and seek medical advice. If swallowed, do not induce vomiting; seek medical attention immediately and show the container or label to the doctor.
