The tried-and-true saddle pad from Back and Track—beautiful and timelessly elegant...

The new Back and Track saddle pad is made from a beautiful heathered fabric, available in classic brown and sophisticated gray. The saddle pad is edged with an elegant decorative cord. Another eye-catching feature is our left-side logo made of brushed metal, backed with synthetic leather. The soft teddy fleece padding at the withers provides additional comfort. The saddle pad is equipped with straps to secure the D-rings and impresses with excellent breathability and ideal moisture management. The filling consists of high-quality polyfill and shock-absorbing foam. The saddle pad pairs perfectly with the other products in our Haze collection.
