Filling:	100 g
Denier:	1,800 denier

Top-notch quality and an excellent fit make this extremely tear-resistant blanket the ideal companion for pasture time, in the stall, or in the paddock—even on the coldest days. Weatherbeeta's most durable blanket has been upgraded and is now perfect for your blanket-wrecker! Featuring the new "Twist n' Lock" closure—an innovative, safety-conscious, adjustable, and easy-to-use design. The outer material consists of an extremely durable 1800-denier fabric with a revolutionary EcoElite™ Teflon coating—a renewable, plant-based fabric treatment that offers both waterproofing and breathability.

- Outer material: 1800 D fabric
- Outer material with EcoElite™ Teflon coating
- Waterproof, windproof, and breathable
- 3-year warranty on metal parts, waterproofing, and breathability
- Inner lining: 210D polyester
- 100g filling
- Removable neck piece
- Memory foam withers pad
- Compatible with the liner system for year-round flexibility
- Tail flap
- Leg straps
- Reflective walking pleat for maximum freedom of movement
- Innovative Twist n' Lock fastening system
- Reflectors on the walking pleat and tail flap for better visibility

The outer material, made of 1800D fabric, is extremely robust, tear-resistant, and therefore exceptionally durable. The new EcoElite™ Teflon coating on the outer shell makes this blanket wonderfully dirt-repellent, waterproof, and highly breathable. The comfortably soft inner lining made of 210-denier polyester fabric and the 100g filling make this blanket the ideal winter blanket. The blanket features a removable neck piece and is also liner-compatible. The WeatherBeeta Cozi-Guard provides unbeatable protection at the chest, while the generous memory foam withers pad—which conforms to the horse's shape—lifts the blanket slightly at the withers to reduce chafing and provide additional comfort. The inserts at the tail flap and the reflective side panels ensure optimal visibility, even at dusk. Fastening
The double front closure is fully adjustable and features the Twist n' Lock system and Touch-Tape fasteners; this closure system is also found on the cross surcingles, providing additional security. Furthermore, the blanket features removable, elastic, adjustable, and padded leg straps. The blanket is equipped with wide Velcro strips in the neck area to which the neck piece is attached. It is secured with two wide, elastic Velcro fasteners featuring a fold-over flap.
Warranty WeatherBeeta offers a 3-year warranty on metal parts, waterproofing, and breathability for all WeatherBeeta turnout rugs.
