The balance and comfort of the rider’s foot are essential for riding. For this reason, Zandonà, in collaboration with SPMTM, has developed the “MAGNETIC EQUITATION SOCKS”—technical socks that are 100% Italian-made and hold a worldwide patent. Their magnetic system acts on the rider’s balance muscles and provides unparalleled comfort.

Foot Reflexology

The patented MAGNETIC EQUITATION SOCKS by SPMTM are equipped with magnets specifically positioned to promote blood and

lymphatic circulation, enabling better blood flow even in the area of the stirrup. In fact, they prevent the foot from going numb and help keep the muscles active, which promotes the physical well-being of the foot.

Body
Balance: The improved blood circulation in the foot relieves muscle and ligament tension, allowing the BALANCE MUSCLES to function more precisely.
