Versatile and pleasantly soft—that's the WARWICK JUNIOR. The back and palm are made from **warm**, **soft,** and exceptionally **stretchy** Polartec® Power Stretch® Pro. For extra **warmth**, ROECKL SPORTS uses the extra-heavy 312-gram fabric. ROECKL also impresses young riders with the exclusive **COMFORT CUT**. The particularly slim, comfortable cut eliminates the need for a pad on the index finger. Both practical and stylish: The palm, elaborately silicone-coated with countless ROECKL logos, provides an ideal grip on the reins. The ROECKL logo on the cuff rounds out the well-thought-out design. The WARWICK JUNIOR is, of course, machine washable at 30° Celsius.
