The Dogma/StarLady inner liner is the perfect solution for improving the comfort and fit of KASK helmets.

This liner is removable, replaceable, and washable, allowing for size adjustments within the same helmet shell*.

Manufactured in Italy by REDA, a leading Italian company in merino wool production, the soft and fluffy liner gently conforms to the shape of your head, providing support and even pressure distribution.

The Dogma inner padding is compatible only with the Dogma and Star Lady models.
