Herb Blend with Vegetables and Flowers – Natural Delight for Healthy Rodent Fun!Treat your rodents to a colorful, tasty mix of vegetables, herbs, and flowers—completely free of artificial additives. Our herb mix with carrots, spinach, and sunflower blossoms combines nutritious ingredients that promote health and add variety to their food bowl.
Ingredients:

- Diced carrots – provide beta-carotene for healthy eyes and a beautiful coat
- Stinging nettle—supports metabolism and is rich in minerals
- Spinach – contains iron and vitamins, supports blood formation and boosts the immune system
- Sunflower blossoms—not only make the mix pretty, but also tasty and appetizing

Ideal for: Rabbits, guinea pigs, chinchillas, degus, hamsters, and other herbivorous rodents. Benefits at a glance:
✔ 100% natural product—no sugar, flavors, or additives
✔ Promotes natural food intake and nibbling behavior

Product information

✔ Supports digestion, skin, and the immune system
✔ Gently dried – maximum nutrient retention
✔ Also suitable as a supplement to hay or a topping for their main food
Bring a piece of nature into the bowl with this herb blend—your rodents will love it!
