Durable and low-maintenance neoprene straps with nylon reinforcement, SS roll buckles, and an anatomically contoured shape.

Our award-winning Airoform GP, featuring soft Airoform padding, withstands even the toughest conditions and stays securely in place. The special double-layered seam system prevents sensitive skin from getting pinched behind the elbows. Treat your horse to a little luxury!

- Textured for airflow and added comfort
- Anatomically shaped for an optimal fit
- Elastic inserts at one end reduce pressure and make it easier to fasten the girth

Product information

- Features stainless steel roll buckles at both ends
- Requires neither oil nor soap—simply clean with a sponge
