19,95CHF

incl. 8,1% VAT plus Shipping

Delivery **Mon 09. Nov - Tue 10. Nov 2026**

A foaming cleanser that works without water or rinsing and is therefore particularly versatile during the colder months. Ideal for light-coated horses such as grays and light chestnuts, as well as for cleaning piebalds, horses with white blazes, or white mane and tail. Easy Shine Mousse leaves a protective water-repellent film on the coat and contains chamomile flower water, blueberry flower water, and natural wheat proteins. Free of silicone and parabens.
