Materials:

- TPU shells: reinforced protection for the limbs. Ventilated thanks to integrated ventilation openings.
- 3D velour mesh lining (included): breathable and shock-absorbing for optimal comfort. Soft and comfortable velour protects the horse’s skin.

Technical Specifications:

- Adjustable with double Velcro fasteners for a secure fit during training.
- Ventilated thanks to integrated ventilation openings.

# Product information

- Compatible with the VENDIAL faux fur liner, sold separately.
- Easy to care for and quick-drying. (Washing bag)

Perfect for daily work and competition.
