Relaxes, soothes, nourishes—rich care for skin irritations and itching

FREY Derma Relax is a soothing lotion for the care of stressed horse skin. For summer eczema, insect bites, and other irritations, FREY Derma Relax delivers its soothing effects with natural ingredients such as lavender, horsetail, and cold-pressed evening primrose oil. Apply, for example, to the mane crest, the base of the tail, or the belly area.

Contains: lavender tincture, lavender flowers, lavender oil, aloe vera juice, cold-pressed evening primrose oil, horsetail.
