"Cross Light" Bitless Bridle

Bitless Bridle – Gentle Control and Comfort for Your Horse
Our "Cross Light" bitless bridle offers a gentle and effective way to communicate with your horse without a bit. Made of oiled leather, the bridle is particularly supple. Thanks to its optimal fit and soft padding, it ensures maximum comfort.
Ideal for training sessions aimed at refining body language, for riders who are not yet independent of the hand, and for horses that are sensitive to bits or refuse to accept them. The bitless bridle is easy to put on and offers a safe, comfortable alternative for both horse and rider.

- Bitless with crossing straps under the lower jaw
- Oiled leather
- Softly padded noseband and anatomical headstall
- Gentle and more even pressure distribution
- Curved headband with rhinestones
- Without reins

What is oiled leather?
Oiled leather is vegetable-tanned and retains its natural grain. During the tanning process, it is treated with high-quality oils, making it very soft as well as water- and stain-resistant. This ensures the leather remains supple, durable, and easy to care for over time.

Care Instructions:
Remove dirt with a cloth and treat as needed with appropriate care products. If storing for an extended period, clean thoroughly and store in a bag to protect it from sunlight, dust, and moisture.

Caution:
Avoid prolonged and direct contact with light-colored fabrics, porous surfaces, and other types of leather.
